What Skills do you have related to the job you are applying for?

Notice: I have reviewed the David Brothers Job Description for the position I have applied for. I am qualified and understand the responsibilities. I understand that if I am hired, the hiring will be conditional, subject to evaluation of a medical exam and/or disability history questionnaire form required of all applicants who are offered employment in my job category. I also understand that if I am hired, the hiring will be conditional, subject to a satisfactory driver history result for a DMV check. I agree to submit to an immediate drug test at any time upon request by the General Manager.
